Working for passengers

If you have a problem on a bus journey, please let the bus company know first. If you don't feel they have resolved it to your satisfaction, Bus Users UK, an independent organisation that represents bus passengers, may be able to help.

Email, telephone or write to them giving them as much detail as you can.

They will take things further for you. If they can't resolve it, they are partners in the Bus Appeals Body who will issue a decision about your difficulty.

## Changes to the timetable since the last edition.

### **Service 76 St. Annes – Lytham – Kirkham – Poulton – Blackpool**

The county council has revised and extended this service, adjusting the route between Kirkham and Poulton to operate via Weeton and Singleton, replacing the revised Service 75 over this section, as well as extending the route through to St. Annes from Lytham, serving Clifton Drive Hospital.

This revised service operates between St. Annes and Blackpool via Lytham, Warton, Wrea Green, Kirkham, Weeton, Singleton, Poulton and Victoria Hospital.

The service operates every hour during Monday to Saturday daytime. In conjunction with Service 78, the frequency between Preston, Poulton and Fleetwood, over common sections, has increased to generally every 30 minutes during Monday to Saturday daytime.

In conjunction with Service 78, the frequency between St. Annes, Lytham and Kirkham, over common sections, has increased to two journeys per hour during Monday to Saturday daytime.

Coastal Coaches operate this service on behalf of Lancashire County Council.

### **Service 77 Preston – Lea – Great Eccleston – Poulton – Blackpool**

#### **Service 77A Preston – Lea – Great Eccleston – Myerscough**

The county council has withdrawn these services, they have been replaced as follows:

the section of route between Preston and Poulton will be served by new Service 74:

the section of route between Poulton and Blackpool will be served by the extension of Service 76.

The four return journeys per day to Myerscough College have been withdrawn, passenger numbers prior to March 2020 showed on average two passenger trips per day across all eight journeys, which were normally students attending Myerscough College. These students will continue to be able to access their dedicated college bus services from across the area, as well as the frequent daytime shuttle service available between the college and connecting bus services on the A6.

The withdrawal of the Myerscough section enables the resource to be redeployed to allow for the extension of Service 76 from Lytham through to St. Annes via Clifton Drive Hospital.

For details of Services 74 & 75, please refer to Blackpool Transport

### **Service 78 St. Annes – Lytham – Kirkham – Wesham – Great Eccleston**

In partnership with the county council, Coastal Coaches has extended their route from Wesham to Great Eccleston, partially replacing the revised Service 76.

This maintains the service between Great Eccleston and Elswick with Kirkham and Lytham as well as restoring the link through to St. Annes.

This revised service operates between St. Annes and Great Eccleston via Lytham, Warton, Freckleton, Kirkham, Wesham and Elswick.

The service operates every hour during Monday to Saturday daytime. In conjunction with Service 76, the frequency between St. Annes, Lytham and Kirkham, over common sections, has increased to two journeys per hour during Monday to Saturday daytime.
